

Lista publicațiilor: Ababii Ion Ion (8), Descărcări - 0, Vizualizări - 814
Publicații la conferințe din RM - 8 articole.

2016 - 1

1. Danilov, Lucian. Ababii, Ion. Maniuc, Mihail. Șaptefrați, Lilian. David, Valeriu. Fulga, Veaceslav. Bocan, A.. Immunohistochemical characteristic of cellular and humoral immunity and preimmune factors in chronic tonsillitis in children. *Health Technology Management*. Editia 3. 2016. Chișinău, Republica Moldova. Technical University of Moldova. 111-111.

2015 - 3

2. Ababii, Ion. Aramă, Efim. Advantages of Applications UV Detectors Based on Stratified Crystals in Medicine. *Professional Education and Economic Needs of the Black Sea Region*. 2015. Chișinău. Departamentul Editorial-Poligrafic al ASEM. 127-133.
3. Diacova, Svetlana. Ababii, Ion. Maniuc, Mihail. Danilov, Lucian. Chiaburu, Anghelina. Ababii, Polina. Diacova-Sosnovscaia, Olga. Ivanskiy , D.. Middle ear monitoring in children. *Nanotechnologies and Biomedical Engineering*. Editia 3. 2015. . Springer. 104-104.
4. Danilov, Lucian. Ababii, Ion. Ghinda, Serghei. Maniuc, Mihail. Ababii, Polina. Diacova, Svetlana. Bocan, A.. Cotelea, Iulia. BioR medication in the combined treatment of chronic tonsillitis in children. *Nanotechnologies and Biomedical Engineering*. Editia 3. 2015. . Springer. 106-106.

2013 - 1

5. Ababii, Ion. Diacova, Svetlana. Chiaburu, Anghelina. Parii, Sergiu. Chirtoca, Diana. Maniuc, Mihail. Danilov, Lucian. Ababii, Polina. Diagnostics of otitis media with effusion. *Nanotechnologies and Biomedical Engineering*. Editia 2. 2013. . Technical University of Moldova. 447-450.

2011 - 3

6. Ababii, Ion. Diacova, Svetlana. Maniuc, Mihail. Ababii, Polina. Danilov, Lucian. Electro-acoustical and electrophysiological examinations in diagnostics of otitis media in infants. *Nanotechnologies and Biomedical Engineering*. Editia 1. 2011. . Technical University of Moldova. 263-265.
7. Ababii, Ion. Danilov, Lucian. Maniuc, Mihail. Ababii, Polina. Diacova, Svetlana. The role of microscopic techniques in performing tympanoplasty in children. *Nanotechnologies and Biomedical Engineering*. Editia 1. 2011. . Technical University of Moldova. 271-272.
8. Ababii, Ion. Aramă, Efim. Sensors of ultraviolet radiation for medical equipment. *Nanotechnologies and Biomedical Engineering*. Editia 1. 2011. . Technical University of Moldova. 281-284.
