

## Lista articolelor în limba engleza

### 2020

- The Mouth-COVID Connection: H-6 Levels in Periodontal Disease — Potential Role in COVID-19-Related Respiratory Complications  
1. . *Medicina stomatologică*. 2020, nr. 4(57), 80-68. ISSN 1857-1328. (Cat. B)

### 2017

2. The burden of oral disease and risks to oral health at global and regional levels. *Medicina stomatologică*. 2017, nr. 1-2(42-43), 13-7. ISSN 1857-1328. (Cat. B)
3. Knowledge and attitude of general dental practitioners toward periodontal disease management. *Medicina stomatologică*. 2017, nr. 1-2(42-43), 15-13. ISSN 1857-1328. (Cat. B)
4. Comparative study of endodontic instruments shaping properties. *Medicina stomatologică*. 2017, nr. 1-2(42-43), 64-61. ISSN 1857-1328. (Cat. B)

### 2016

5. Clinical study and methods in creating of endodontic access. *Medicina stomatologică*. 2016, nr. 1-2(38-39), 11-7. ISSN 1857-1328. (Cat. B)

### 2015

- Zoobenthos of the lower Prut river during 2015-2019 on the territory of the Republic of Moldova  
6. . *Medicina stomatologică*. 2015, nr. 4(37), 45-45. ISSN 1857-1328. (Cat. B)
7. The effect of broomrape (*O. cumana*) infection on the yields of sunflower hybrids  
. *Medicina stomatologică*. 2015, nr. 4(37), 58-58. ISSN 1857-1328. (Cat. B)
8. Differential gene expression between sunflower hybrid and its parents in microsporogenesis  
. *Medicina stomatologică*. 2015, nr. 4(37), 59-59. ISSN 1857-1328. (Cat. B)
- Genetic diversity and relationships in *Orobanche cumana* germplasm collection from the black sea basin detected by ISSR markers  
9. . *Medicina stomatologică*. 2015, nr. 4(37), 61-61. ISSN 1857-1328. (Cat. B)
10. Narratives about Covid-19: the experience of the disease and representational dynamics  
. *Medicina stomatologică*. 2015, nr. 2(35), 19-15. ISSN 1857-1328. (Cat. B)
11. Coronavirus and its consequences for society  
. *Medicina stomatologică*. 2015, nr. 2(35), 33-28. ISSN 1857-1328. (Cat. B)
12. Transactional Distance Theory and Compulsory Switching to Remote Teaching due to pandemic in Georgia  
. *Medicina stomatologică*. 2015, nr. 1(34), 84-74. ISSN 1857-1328. (Cat. B)
13. Information technologies inside and outside the classroom  
. *Medicina stomatologică*. 2015, nr. 1(34), 163-157. ISSN 1857-1328. (Cat. B)

### 2014

14. Using role-play tasks in the development of oral production skills  
. *Medicina stomatologică*. 2014, nr. 4(33), 186-182. ISSN 1857-1328. (Cat. B)
15. Implementing task-based language teaching to improve student's listening skill  
. *Medicina stomatologică*. 2014, nr. 4(33), 192-187. ISSN 1857-1328. (Cat. B)
16. Authenticity in FLL as a vocabulary booster  
. *Medicina stomatologică*. 2014, nr. 4(33), 199-193. ISSN 1857-1328. (Cat. B)
17. Songs as an educational tool in language teaching and learning  
. *Medicina stomatologică*. 2014, nr. 4(33), 217-213. ISSN 1857-1328. (Cat. B)
18. Individual work - extensive reading outside the classroom  
. *Medicina stomatologică*. 2014, nr. 4(33), 232-225. ISSN 1857-1328. (Cat. B)

19. The internet and learner's autonomy in second language learning  
 . *Medicina stomatologică*. 2014, nr. 4(33), 239-233. ISSN 1857-1328. (Cat. B)
20. The (inter)net. Special use of English  
 . *Medicina stomatologică*. 2014, nr. 4(33), 251-248. ISSN 1857-1328. (Cat. B)
21. Writing tasks in the foreign language classroom  
 . *Medicina stomatologică*. 2014, nr. 4(33), 256-252. ISSN 1857-1328. (Cat. B)
22. Preparing students for cambridge english qualifications: challenges and approaches  
 . *Medicina stomatologică*. 2014, nr. 4(33), 261-257. ISSN 1857-1328. (Cat. B)
23. Didactic tools for the optimization of teaching retelling  
 . *Medicina stomatologică*. 2014, nr. 4(33), 276-272. ISSN 1857-1328. (Cat. B)
24. Effective strategies of developing pupils' speech fluency  
 . *Medicina stomatologică*. 2014, nr. 4(33), 281-277. ISSN 1857-1328. (Cat. B)
25. Analytical drain current model for non-ballistic Schottky-Barrier CNTFETs  
 . *Medicina stomatologică*. 2014, nr. 3(32), 93-90. ISSN 1857-1328. (Cat. B)
26. Enhancement of heat transfer at boiling in electrohydrodynamic flow  
 . *Medicina stomatologică*. 2014, nr. 2(31), 7-1. ISSN 1857-1328. (Cat. B)
27. Two-dimensional magnetoexcitons: Quantum properties  
 . *Medicina stomatologică*. 2014, nr. 1(30), 31-31. ISSN 1857-1328. (Cat. B)

### 2013

28. Development of methodology for assessing effectiveness of online store promotion tools  
 . *Medicina stomatologică*. 2013, nr. 4(29), 548-533. ISSN 1857-1328. (Cat. C)
29. Alternative implantation methods to avoid sinus grafting. *Medicina stomatologică*. 2013, nr. 3(28), 41-29. ISSN 1857-1328. (Cat. C)
30. Biomaterials and tissue engineering techniques in oral implantology. *Medicina stomatologică*. 2013, nr. 3(28), 63-58. ISSN 1857-1328. (Cat. C)
31. Gagauzia in the turkic world, the turkic world in Gagauzia  
 . *Medicina stomatologică*. 2013, nr. 3(28), 89-83. ISSN 1857-1328. (Cat. C)
32. Future of Europe. The widening capabilities - expectations gap  
 . *Medicina stomatologică*. 2013, nr. 3(28), 112-108. ISSN 1857-1328. (Cat. C)
33. EU and the rise of populism in the context of globalization  
 . *Medicina stomatologică*. 2013, nr. 3(28), 234-231. ISSN 1857-1328. (Cat. C)
34. Digital sovereignization as narratives. The case of Moldova in comparative perspective  
 . *Medicina stomatologică*. 2013, nr. 3(28), 241-235. ISSN 1857-1328. (Cat. C)
35. Youth unemployment and experiments for Labor market inclusion: perspective for youth in Moldova (Based on a collaborative analysis of unemployment-related micro-narratives)  
 . *Medicina stomatologică*. 2013, nr. 3(28), 261-246. ISSN 1857-1328. (Cat. C)
36. Comparison of Romanian and Pakistani culture through language. Experimental learning  
 . *Medicina stomatologică*. 2013, nr. 3(28), 280-277. ISSN 1857-1328. (Cat. C)
37. Overview of EU standards on water management legislation incorporated in national river basin management plans for adaptation to climate change  
 . *Medicina stomatologică*. 2013, nr. 3(28), 379-273. ISSN 1857-1328. (Cat. C)
38. Strengthening European economic security through consolidating economic cohesion and the strategic socio-economic positions in terms of governance efficiency  
 . *Medicina stomatologică*. 2013, nr. 3(28), 433-413. ISSN 1857-1328. (Cat. C)
39. The European Union as a leader in international climate change politics  
 . *Medicina stomatologică*. 2013, nr. 3(28), 512-501. ISSN 1857-1328. (Cat. C)
40. Factorization of wigner time-reversal operator and reduction of time-reversal symmetry  
 . *Medicina stomatologică*. 2013, nr. 2(27), 282-257. ISSN 1857-1328. (Cat. C)

41. Is there an analogy between jahn-teller effect and an instability of spin populations in kramers clusters with odd number of atoms?  
*. Medicina stomatologică. 2013, nr. 2(27), 227-211. ISSN 1857-1328. (Cat. C)*
42. Kramers trimer clusters and time-reversal symmetry  
*. Medicina stomatologică. 2013, nr. 2(27), 154-143. ISSN 1857-1328. (Cat. C)*
43. Magnetic symmetry point groups  
*. Medicina stomatologică. 2013, nr. 2(27), 142-127. ISSN 1857-1328. (Cat. C)*
44. Non-abelian and abelian symmetry groups containing time-reversal operators  
*. Medicina stomatologică. 2013, nr. 2(27), 255-229. ISSN 1857-1328. (Cat. C)*
45. Preface  
*. Medicina stomatologică. 2013, nr. 2(27), XII-VII. ISSN 1857-1328. (Cat. C)*
46. Time reversal in classical and relativistic physics  
*. Medicina stomatologică. 2013, nr. 2(27), 31-1. ISSN 1857-1328. (Cat. C)*
47. Time reversal in quantum mechanics and quantized field theory  
*. Medicina stomatologică. 2013, nr. 2(27), 126-33. ISSN 1857-1328. (Cat. C)*
48. Time-reversal symmetry of quantum systems with quasi-energy spectrum  
*. Medicina stomatologică. 2013, nr. 2(27), 171-155. ISSN 1857-1328. (Cat. C)*
49. Time-Reversal Symmetry Seven Time-Reversal Operators for Spin Containing Systems  
*. Medicina stomatologică. 2013, nr. 2(27), 350-1. ISSN 1857-1328. (Cat. C)*
50. Time-reversal symmetry violation  
*. Medicina stomatologică. 2013, nr. 2(27), 321-283. ISSN 1857-1328. (Cat. C)*
51. Transformation of antiferromagnetic type of exchange interaction into ferromagnetic one in dimer clusters  
*. Medicina stomatologică. 2013, nr. 2(27), 209-173. ISSN 1857-1328. (Cat. C)*
52. Development and validation of a CFD model used for vertical axis wind turbines simulations  
*. Medicina stomatologică. 2013, nr. 1(26), 7-1. ISSN 1857-1328. (Cat. C)*
53. Generation of the teeth precessional gears by plastic deformation  
*. Medicina stomatologică. 2013, nr. 1(26), 6-1. ISSN 1857-1328. (Cat. C)*

## 2012

54. Dwellings and their nearest surroundings in the 4th millennium BC in the Eastern Carpathian area: a case study from the Gordinești II-Stânca goală settlement  
*. Medicina stomatologică. 2012, nr. 4(25), 17-16. ISSN 1857-1328. (Cat. C)*
55. Tools and methods of preparing a post-canal for restoration of the endodontically treated teeth with shattered crown.  
*Medicina stomatologică. 2012, nr. 3(24), 56-53. ISSN 1857-1328. (Cat. C)*
56. Control of quantum correlation between atoms placed in coupled cavities  
*. Medicina stomatologică. 2012, nr. 3(24), 0-0. ISSN 1857-1328. (Cat. C)*
57. Metastable bound states and spin structures of the two-dimensional bimagnetoexcitons  
*. Medicina stomatologică. 2012, nr. 3(24), 9-1. ISSN 1857-1328. (Cat. C)*
58. Noise minimizing by harmonic phase diffraction gratings in off-axis lensless digital holography  
*. Medicina stomatologică. 2012, nr. 3(24), 7-1. ISSN 1857-1328. (Cat. C)*
59. Optoelectronics effects in modernization of advanced implants using periodical optical structure  
*. Medicina stomatologică. 2012, nr. 3(24), 15-1. ISSN 1857-1328. (Cat. C)*
60. Spatial carbon molecules fullerene type identified by thermal gravimetric analysis (TGA) of graphite films deposited on metal surface by electrical discharges in impulse  
*. Medicina stomatologică. 2012, nr. 3(24), 5-1. ISSN 1857-1328. (Cat. C)*

61. Transmission spectra modeling for nanomultilayer chalcogenide thin films  
. *Medicina stomatologică*. 2012, nr. 3(24), 8-1. ISSN 1857-1328. (Cat. C)
62. The late effects of the deprotenized bovine bone blocks in combination with recombinant human platelet-derived growth factor-BB and guided bone regeneration for vertical augmentation. *Medicina stomatologică*. 2012, nr. 2(23), 24-18. ISSN 1857-1328. (Cat. C)
63. Contemporary debates in bioethics: European perspectives  
. *Medicina stomatologică*. 2012, nr. 2(23), 174-1. ISSN 1857-1328. (Cat. C)
64. Foreword  
. *Medicina stomatologică*. 2012, nr. 2(23), 11-9. ISSN 1857-1328. (Cat. C)
65. Practical ethics issues in gene therapy and genetic testing  
. *Medicina stomatologică*. 2012, nr. 2(23), 57-49. ISSN 1857-1328. (Cat. C)
66. The principle of autonomy in palliative care: The Moldavian perspective  
. *Medicina stomatologică*. 2012, nr. 2(23), 131-121. ISSN 1857-1328. (Cat. C)
67. Anatomical peculiarities of the ileocecal junction at the prenatal period of ontogenesis  
. *Medicina stomatologică*. 2012, nr. 1(22), 49-45. ISSN 1857-1328. (Cat. C)
68. The impact of global climatic variations upon middle ear ossicles dimensions  
. *Medicina stomatologică*. 2012, nr. 1(22), 73-68. ISSN 1857-1328. (Cat. C)
69. Reactive and destructive reactions of dorsal root ganglion neurons in the simulation of deep skin wounds healing at different rates  
. *Medicina stomatologică*. 2012, nr. 1(22), 135-131. ISSN 1857-1328. (Cat. C)
70. The features of research of the cerebrum of fetuses and newborns  
. *Medicina stomatologică*. 2012, nr. 1(22), 143-140. ISSN 1857-1328. (Cat. C)
71. Morphofunctional changes in the structure of rats' adrenal glands cortex zones by alcohol intoxication and the effect of antioxidant  
. *Medicina stomatologică*. 2012, nr. 1(22), 147-143. ISSN 1857-1328. (Cat. C)
72. Comparative study of traumatic damage in the anogenital area in male and female victims of sexual violence  
. *Medicina stomatologică*. 2012, nr. 1(22), 163-159. ISSN 1857-1328. (Cat. C)
73. Safe and durable plastination of anatomical preparations  
. *Medicina stomatologică*. 2012, nr. 1(22), 177-174. ISSN 1857-1328. (Cat. C)
74. Morphological aspects of cerebral cortex plasticity in alcohol intoxication  
. *Medicina stomatologică*. 2012, nr. 1(22), 180-177. ISSN 1857-1328. (Cat. C)

## 2011

75. Augmentation procedures with recombinant human recombinant platelet-derived growth factor BB for the horizontal and vertical jaw reconstruction - literature review. *Medicina stomatologică*. 2011, nr. 4(21), 23-19. ISSN 1857-1328. (Cat. C)
76. Schemes and Techniques of Synchronous Modulation of PV Inverters with High Modulation Indices: A Survey  
. *Medicina stomatologică*. 2011, nr. 4(21), 0-0. ISSN 1857-1328. (Cat. C)

## 2010

77. Stability evolution of Alfa Gate Bioactive Coating implants during healing period. *Medicina stomatologică*. 2010, nr. 3(16), 105-101. ISSN 1857-1328. (Cat. C)
78. Power and political opposition in the Republic of Moldova: methodological provisions and trends  
. *Medicina stomatologică*. 2010, nr. 3(16), 209-204. ISSN 1857-1328. (Cat. C)

## 2009

79. Comparative evaluation of received signal parameters in SFN DVB-T2 service area  
. *Medicina stomatologică*. 2009, nr. 4(13), 0-0. ISSN 1857-1328. (Cat. C)

80. Performance analysis of PLL components in digital synchronization systems for high-speed applications  
. *Medicina stomatologică*. 2009, nr. 4(13), 0-0. ISSN 1857-1328. (Cat. C)
81. Social and educational integration modalities for gifted children  
. *Medicina stomatologică*. 2009, nr. 1(10), 45-38. ISSN 1857-1328. (Fără categorie)
82. Defying social norms: women's independence of thought in ancient Greece  
. *Medicina stomatologică*. 2009, nr. 1(10), 51-46. ISSN 1857-1328. (Fără categorie)
83. Using art therapy for cyberbullying victims: three case studies  
. *Medicina stomatologică*. 2009, nr. 1(10), 57-52. ISSN 1857-1328. (Fără categorie)
84. Industrial design vis-à-vis the meta - design and stigmergy phenomenas as factors for regenerating new design paradigms: Influences & Impact on Contemporary Design/Design Education  
. *Medicina stomatologică*. 2009, nr. 1(10), 66-58. ISSN 1857-1328. (Fără categorie)
85. The effectiveness of interactive strategies in teaching and learning  
. *Medicina stomatologică*. 2009, nr. 1(10), 72-67. ISSN 1857-1328. (Fără categorie)

## **2008**

86. Chocolate P automata  
. *Medicina stomatologică*. 2008, nr. 4(9), 20-1. ISSN 1857-1328. (Fără categorie)
87. Buckybowl Structure of Sumanenes and Distortions of Thiophenes Induced by the Pseudo Jahn-Teller Effect  
. *Medicina stomatologică*. 2008, nr. 3(8), 12-1. ISSN 1857-1328. (Fără categorie)
88. Brînzeni: A Multidisciplinary Study of an Upper Palaeolithic site in Moldova  
. *Medicina stomatologică*. 2008, nr. 2(7), 76-41. ISSN 1857-1328. (Fără categorie)
